1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of this company and have been for years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Price increases of this amount are very difficult to take at this time for people on fixed incomes. With food prices and gas prices on the constant rise, you have to ask where will this stop and why are we not using alternate sources of energy already. Executives and large companies do not take pay cuts and their retirement years are not spent looking for ways to pinch pennies.

Don't raise rates.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

(This section should be completed.)
